BALATONTOURIST 70

Dear Guests,

Balatontourist celebrates its **70th birthday** this year, as its legal predecessor, the Veszprém County Tourist Office, was founded in 1951. During the seven decades, the company has been involved in organising numerous events and activities, so this year we would introduce our camping catalogue in an unusual way by sharing a few interesting stories with you. However, before we start telling stories, we would like to share with you the **"Balatontourist secret"** that has been constant over the various decades: it is nothing more than a combination of the love for guests, the employees' loyalty, and commitment to camping tourism. We believe that this is the secret of the company's future! We look forward to the next few years with the same enthusiasm as our predecessors did in the past, and we trust that you will stay with us!

On this occasion, we would like to **thank** each of our guests for choosing Balatontourist campsite as their holiday destination, and thus building our history together! We also want to celebrate with you, so in the spring we are preparing for a **birthday weekend** in every campsite! We will welcome those arriving for that weekend with surprise gifts, a cauldron party and sweet treats. There will be **Camping Days** again this year, with free anniversary programs, featured animations, and gifts. You can find out more about these events and their dates on our website: www.balatontourist.hu. We are also waiting for you with extra promotions throughout the year, so it will be worth watching our channels and subscribing to our newsletter.

We look forward to seeing you in the 70th season too!
