Where relaxation and experience go hand in hand

The Balatontourist camping network awaits the guests this year again at lake Balaton, where the naturality, the feeling of freedom on the beach and the comfortable accommodation options together guarantee the perfect holiday. Not only families but also couples and groups of friends can find the ideal surrounding at our campsites – let it be active recreation, calming relaxation or common adventures at lake Balaton.

ADVENTURE, RELAXATION, COMMUNITY – THIS IS WHY CAMPING IS GOOD

Camping is more than just a holiday; it is a feeling of life. More and more people discover again the joy of relaxing close to nature, as we can break away from the rhythm of everyday life, and re-experience the beauty of simple moments. Camping means freedom, community and experiences, where by relaxing under the stars or having a coffee at the lake new memories are born every day.

BALATONTOURIST – WHERE EXPERIENCES COME ASHORE

In our network each campsite offers a different mood, but all of them are bound together by hospitality, family atmosphere and closeness of the water. Whether you search for calm and shadowy or for a vibrant camping life full of programs, you will find both with us. Our new, modern mobile homes and renovated pitches provide comfortable accommodation, while we strive for environmentally friendly solutions and sustainable operation. Our guests can enjoy a carefree holiday through fast online reservations, easy check-in and friendly service.

MORE THAN ACCOMMODATION – FEELING OF LIFE AT LAKE BALATON

Almost 1 500 camping places, pitches with electricity and in many places with water and waste-water connection, hundreds of bungalows, mobile homes with terraces, caravans for rent and comfortable tents for rent are available. The campsites are directly at the waterside, so whichever accommodation type you choose, water will be just a few steps away and you do not even need to buy a ticket for the beach.

EXPERIENCES AT THE CAMP SITE – FOR YOUNG AND OLD

During high season, there are **children's programs** with professional children's animators on 6 days of the week, such as handcrafting, mini disco and skill competitions that make camping life even more colorful. There are also **Camping Days**, where you can participate from morning till night, regardless of age. On these special days we are waiting our guests with sports and cooking competitions, performers, gifts and much more. You can find the dates under the clown pictogram and on our website.

DISCOVER LAKE BALATON!

There are only few places on Earth, where everyone can find the most suitable pastime activities during their holiday. Balaton is such a place. There are many beautiful hiking trails, lookout towers and bicycle paths in this area waiting for those who prefer active recreation. The visitor centers of the Balaton-Highlands National Park offer a wealth of natural and cultural attractions. Wine and gastronomic offers are also outstanding in the region, so our guests can choose from a wide range of recreational opportunities outside the camping gates. Our receptionist and sales assistants in the central office will be happy to help you with recommendations.
