BALATONTOURIST

CAMPING: IDEAL PLACE FOR FAMILY HOLIDAY

Dear Guests,

Welcome and thank you for taking time to read Balatontourist's 2017 catalogue.

Last year we had the conditions to deploy new mobile homes and adventure pools with entertaining elements in our long-lasting operated campsites. Our full-renewed bungalows were also beloved by the guests. The modernization of the bungalows will keep coming in Camping & Bungalows Aranypart.

We would like our customers to enjoy our hospitality in a beautiful, high quality and modern environment. The beloved campsite of the southern part of Lake Balaton will be operating under a new name, the camping located in Zamárdi will be advertised by the brand name of Camping Mirabella from 2017.

Internet is one of the relevant tools of our communication with the guests. As a consequence, the company's website will be reorganized from 2017. Our mission is finding easily each relevant information and current offers, by the help of the new, more modern graphic design and enhanced content.

During the summer we will organize camping days at each place of our company, whereof we would like to invite our dear visitors. The date of our camping days can be found on our website or rather in our catalogue under the clown pictogram.

If you have your own camping equipment, you can select from among 6000 tent and caravan pitches but you can also rent one of several hundred bungalows, mobile homes and fully equipped tents at our campsites by Lake Balaton.

There are plenty of holiday accommodations around Lake Balaton, but none so close to the waterfront.

Lake Balaton's largest campsite provides guests with a wide range of services. During peak season, our free water slide, sandy beach and various watersports, including water skiing, make for an unforgettable holiday experience. A tennis court and mini-golf course are also available on site. In addition, a variety of restaurants offer gastronomic delights. At scheduled times in July and August, our Animators put on both indoor and outdoor programmes for children. During high season, our guests can make use of open-air adult and children's pools, while the poolside building houses a children's bathroom and sanitary blocks. The age limit for the animated activities has been extended and we have ever more programmes for adults. Our music and dance shows are very popular with our guests. The construction of an apartment complex, being located on the westside, isolated area of the camping, was started. The construction will be presumably continued during the season.

Those seeking relaxation can choose from a wide selection of bungalows and an increasing number of mobile homes.

Napsugár Camping and Bungalows can be found by the main road, close to Lake Balaton, located in a well-shaded area. The beach is separated from the campsite by the railway and can be approached through a private passage. The beach provides one of the most scenic panoramas along the lake, and also has a beach volleyball court and a playground for children. During high season our animator entertains our guests with various programs. We welcome guests who bring their dogs, however, the pets are not allowed on the beach. Guests can bathe their dogs in the so called 'dog shower'. The newly opened dog beach is situated close to our camping where you can play and bathe with your dog. You can find multiple places for lighting a campfire, where you can spend pleasant evenings cooking bacon or roasting marshmallows. Our camping provides neat parcels and quite a big field with shady places to camp.

You can also book a simply furnished FLORA bungalow for 4 people (can house 1 extra person), or the modern, well-equipped SUN mobile home for 4 people (can house 2 extra people). Both types of houses are located 200-300 m far away from the beach.

The campsite has a snack bar and a food store. Places worth visiting: the lookout tower of Fonyód and the famous market, the nearby Buzsák folk museum and the thermal bath in Csisztapuszta.

BALATONTOURIST CAMPING & BUNGALOWS ARANYPART

H-8600 Siófok-Szabadifürdő,
Szent László u. 185.

The campsite is situated in a wonderful natural environment, directly on the shore of Lake Balaton with a picturesque view of Tihany. Zamárdi is not far away from Siófok (about 10 km) and from the port of Szántód (about 800 m).

It is especially preferred by families with children because of its nice, shallow beach. Visitors of festivals like to stay here, too. On its premises well-kept and nice pitches (also waterside), modern sanitary blocks, a baby bathroom, disabled-friendly shower and toilet facilities, bathrooms for rent, a dog shower, a buffet and a restaurant are available for our guests.

A new pool, playground and daily-scheduled activity programmes are available at the site to our younger guests during high season. There is a lookout tower on Köhegy, which offers a wonderful view of Lake Balaton and the Somogy hills, and the sunset on Balaton is also unforgettable. Guests can choose from several mobile homes for 4-6 people, including new, 32 m² air-conditioned caravans with a terrace and comfort tents.

Water-side pitches for extra charge!

You don't have to bring your own tents or caravans! You can rent caravans at one campsite, and comfort tents at two.

Comfort tents

In the sleeping compartment of 25m² comfort tents, Camping Napfény provides beds with mattresses. At Camping Mirabella (ex. Autós) beds even come with sheets and bed linen. Bathing towels are not provided. Tents have a well-equipped kitchen corner, with a hot plate, a refrigerator, shelves for dishes and cutlery. Dish soap, sponges or kitchen towels are not provided. These tents also come with garden chairs for six persons and a garden table with a sunshade.

Caravans

Caravans for rent are available at Camping Strand-Holiday, they include a sleeping cabinet, a living room, a kitchen and awnings with garden furniture. The toilet and shower blocks are not usable in the caravans, guests should use the common sanitary blocks instead, or some mobile bathrooms are available for rent.
