CAMPING: THE IDEAL PLACE FOR VARIED HOLIDAY

Dear Guests,

Many people can imagine the holiday only at waterside. Many people enjoy the holiday only hiking in mountains and hills or cycling. But many people are interested in the sights and cultural programs of the cities.

There are not many places around the world, where everybody can find the best time during the holiday. The Balaton and its region is that place. Balatontourist campsites are located directly or nearby the water.

Some kilometers away, there are the beautiful hills from the Balaton Upland around, the cozy landscape of the southern hills and the cities with many programs and sights in the region, which provide relaxing hours to our guest. Around Lake Balaton runs the bicycle route to the joy of bikers. But you can also find here aqua parks, adventure parks, bob and great baths too.

We offer you to the programs our campsites.

If you have your own camping equipment, you can select from among 5200 tent and caravan pitches but you can also rent one of several hundred bungalows, mobile homes and fully equipped tents at our campsites by Lake Balaton.

From 2018 a new service will be installed on our reorganized website: from January you can book online, choose from the guaranteed available accommodations and pay it immediately.

There are plenty of holiday accommodations around Lake Balaton, but none so close to the waterfront.

The naturist campsite operating since 1988 and the naturist beach established in 1987 are situated in natural surroundings with reedy areas. This is the biggest naturist campsite with the oldest traditions around Balaton. There are 117 pitches for caravans with size between 80 and 120 m², 15 of them are comfort pitches with electricity and water and waste utility connection. There are 100 pitches for tents situated next to the beach and at the entrance of the campsite. In addition, our visitors are served by 6 mobile homes (for 2 or 4 persons) a motel and 3 apartments. Our motel consists of 17 rooms and separate showers for ladies and gentlemen. Our rooms have 2 or 3 beds. There are 3 other apartments – a wooden house for 4 and two stone houses for 5 – for rent. Our stone houses have 2 bedrooms, a dining room, a shower, a toilet, a well furnished kitchen and parking places in front. A traditional and some fast food restaurants, supermarket, massage and washing facilities serve the comfort of the guests on the campsite.

Many of sport facilities are available for those preferring an active holiday. On the beach you can also find outdoor chess and a pentaque court, but there is an opportunity playing volleyball and ping-pong.

The large round pier – which is the largest built pier of Lake Balaton – is the favorite place of sunbathers. Hiking lovers find a wide range of possibilities in our offers!
