8314 Vonyarcvashegy, Park u. 016/1

LOCATION: in Vonyarcvashegy, situated in a particularly peaceful and secluded spot right on the waterfront at the foot of **St. Michael Hill**, surrounded by reeds.

SERVICES: The campsite **has its own beach area**, a playground and a cozy fountain, along with many other options for active recreation: **bike rental**, table tennis, outdoor chess, **rental boats** and a designated fishing area. In the high season, **animation** programs are open to people of all ages. The campsite also has a small **grocery store** and a **restaurant**, while a massage service is also available during the high season. There is also a wheelchair accessible bathroom and a bathroom for babies in the sanitary blocks.

ACCOMMODATION TYPES: There is a wide selection of **bungalows** and **mobile homes** apart from pitches and tent places. We have authentic Mongolian **yurts** too if you are looking for a special type of accommodation.

EXPERIENCE: Our campsite with a family atmosphere is located in a **beautiful natural environment** where our guests can have a great time to relax. The curiosity of the campsite is that it has a breeding place for turtles native to the area, so lucky ones can witness the little turtles's first trip to the water. **Fishermen**, hikers love this resort.
